Dear Dr. Groisser,

Thank you very much for being part of the program "**Treatment of Psoriasis and Eczema**". The group truly enjoyed your lecture. Members thought it was very informative. They mainly were impressed with your extensive knowledge and your speaking style. Congratulations!

We had an attendance of **18** members at your presentation.

We feel that this presentation is essential for our seniors and we are grateful for bringing your time and expertise to the Health Education Department of Mountainside Hospital.

If you have another topic that you would like to present, or a colleague who would like to speak, I would be very grateful for ideas or contacts that you may provide.

We are looking forward to working with you in the future.

Sincerely,

Kelly
