Dear Dr. Abbate:

On behalf of thirty-eight NJM-Parsippany employees **"Thank You !! "**. Your visit on Wednesday, July 30<sup>th</sup> is the decided winner of the Wellness Center Programs - 2003. Many of our employees stopped by the office later that day and the next to tell me how thorough, patient and efficient you are. Several told me that they plan to use your office for their dermatological health.

It is difficult to find timely and relative health oriented programs for our population and at times I become anxious as the program date approaches. Heather quickly addressed any concerns I had; and it was a true pleasure to work with Johnanna.

Ms. Hoffer joins me in thanking you for the valuable service you provided our employees.

Sincerely,

Catherine  
Wellness Coordinator
